Q3. (c) Consider the following records in Staff and Project tables:

Staff Table

Staff_Code	Staff_Name	Position
M01	John Tan	Manager
E01	Ahmad	Executive
S01	Gopal	Supervisor

Project Table

Project_No	Staff_Code
1010	M01
1011	E01
1012	E01
1013	C01

With the aid of diagrams (tables) based on the records in the two tables above, produce the resulting table after each of the following relational JOIN operations has been performed:

(i) Staff Right Outer JOIN Project (4 marks)

(ii) Staff Left Outer JOIN Project (4 marks)
